Victoria Eisen has 30 years of professional planning experience. Her areas of expertise include project management, active transportation planning, policy development and community engagement.

Key recent projects at Eisen | Letunic

- **DOWNTOWN ORINDA STREETScape MASTER PLAN**
2018 to present | City of Orinda
Victoria is managing this effort, dubbed “ConnectOrinda,” which seeks to unify the Orinda BART station and the two halves of the city’s downtown through capital projects and design treatments.
- **BART PEDESTRIAN & BICYCLE GAP ANALYSIS**
2017 to present | Bay Area Rapid Transit District
Victoria is managing this project, working with local jurisdictions to identify and recommend needed improvements to encourage and make safer walk and bike station access.
- **SAN PABLO AVENUE CORRIDOR PROJECT**
2017 to present | Alameda CTC
Victoria is in charge of facilitating multi-agency committees and coordinating public and stakeholder group engagement for this 18-month-long effort that covers 14 miles of roadway in seven cities in Alameda and Contra Costa counties.
- **BART BICYCLE PROGRAM CAPITAL PLAN**
2016-2017 | Bay Area Rapid Transit District
Victoria managed this project, which developed capital improvements to encourage bicycle access to BART.
